

NOTICE : Regarding Conservation of Electricity in UETR

"ELECTRICITY SAVED IS CONSIDERED TO THE ELECTRICITY GENERATED" This has been our Nation's drive since last few decades:

So, in order to compliance of the above said Electricity Conservation subject, all the faculty, staff members, students are requested to ensure that there should not be any wastage of electricity in the University of Engineering and Technology Roorkee (**UETR**) in any manner. All the employees and resident students are advised to please shut off the electrical items when not in use.

Cooperation and compliance of all the employees will be highly appreciated.
